

## LOCKED DETENTION

### Program Description:

Locked detention provides short-term confinement for delinquent youths awaiting adjudication, placement, or serving a sentence ordered by a Utah Juvenile Court Judge. JJS operates 11 separate locked detention programs throughout the state. Youths participate in school, cognitive behavioral skill building groups and recreational activities. Family involvement including phone contact and visitation is available and strongly encouraged.

The Statewide Detention Admission Guidelines provides an extensive list of “Holdable Offenses.” Any of these offenses outline will admit a youth into detention. The list of guidelines can be found at: <https://rules.utah.gov/publicat/code/r547/r547-013.htm>
